

Cincinnati Children's Hospital Medical Center

Cincinnati Children's Hospital Medical Center is a 475-bed medical center offering services ranging from well child care to specialized medical, surgical and rehabilitative services. We are seeking qualified applicants for the following positions.

Senior Budget Analyst

In this key role, the Senior Budget Analyst will work closely with the Budget Manager to plan and organize certain aspects of the annual operation and capital budgeting process for the purpose of improving financial performance and determining financial and operational impacts.

Qualified candidates should have a minimum of 3-5 years progressive healthcare experience, preferably involving financial modeling systems, report formatting, budgeting and financial analysis. A bachelor's degree in Accounting or a related discipline is required. Master's Degree or CPA preferred.

Senior Accounting Specialist

Major responsibilities and duties for the Senior Accounting Specialist will include providing special project accounting support, analysis and reporting for the accounting department of the Medical Center.

A bachelor's degree in Accounting, Finance or related discipline is required. Master's degree preferred. A minimum of 5 years of relevant professional experience with some project management experience required. Experience in a large complex organization preferred.

Cincinnati Children's offers a competitive salary and benefits package. Please forward your resume and cover letter to:
